FAHB-LV-4DLL Product Installation Guide

Since 1936, Fisher Manufacturing Company has manufactured heavy-duty, high quality plumbing products and hardware specialties for the food service industry. For three generations, the Fisher family has adhered to a strict dedication of and overall value. When you install Fisher products... you install the best. Our hardware is manufactured with the standardization of internal mechanisms. All chrome plating is triple plated copper, nickel and chrome for durability. Every piece of equipment we make is rigorously tested in both our modern in-house testing center and in actual field situations under extreme conditions. Every detail is thoroughly checked. Before we make our products available to you, they pass each and every test. You get proven performance. Guaranteed.

#1744 - FAUCET 4DLH LAV PCA 0.35 GPM

Limited One Year Warranty

Fisher Manufacturing Company warrants its products and parts thereof (except as noted below) against defects in materials or workmanship for a period of one year after the date of original purchase. During this period Fisher Manufacturing Company will replace a defective product or part without charge to you, provided that the entire product is delivered to Fisher Manufacturing Company. All transportation and insurance charges for shipping the product to and from Fisher Manufacturing Company must be borne by you. Charges for transportation and insurance may, at the option of Fisher Manufacturing Company, be refunded depending upon our investigation of the warranty claim. This warranty does not cover external finish (except at date of original purchase) or labor costs not specifically authorized by Fisher Manufacturing Company.

A full and complete copy of our One Year limited warranty is available upon request.

Warning: This product can expose you to chemicals including Lead, Nickel (Metallic), Di(2-ethylhexyl) phthalate (DEHP) which are known to the State of California to cause cancer, and Lead, Di(2-ethylhexyl) phthalate (DEHP) which are known to the State of California to cause birth defects or reproductive harm. Installation Instructions for Deck Mount Faucets

BE SURE TO CHECK WITH YOUR LOCAL DEPARTMENT HAVING JURISDICTION REGARDING BACKFLOW PREVENTION

Installation Notes:

- Be sure to shut off water supply before beginning.
- Use pipe thread sealant such as PST on all threaded joints.
- Check the packaging for missing items BEFORE beginning installation. If items are missing, contact your supplier.

Tools Required for Installation

- Medium Sized Crescent Wrench
- Pipe Thread Sealant

Package Contents

The box should contain the following:

Control Valve
Qty: 1

73794
Slip Joint Kit
Qty: (2)

73521
Lube

Installation Instructions

1. Mount control valve on deck by inserting nipples through pre-drilled 7/8" holes in deck. Place the serrated cup washers over both nipples and attach the slip joint kits. Tighten until control valve is secure.
2. Connect supply lines to the control valve nipples.
3. Turn on water supply and check for leaks. Remove the aerator from the control valve and turn on water to flush out any debris from supply lines for a few seconds. Shut the control valve off and reattach the aerator.
