RECOMMENDED STOCK PARTS

Please note that there are differences between the old and new casters, The new casters are .312" (5/16) shorter overall so in this case, would not be interchangeable. When replacing the old caster Garland highly recommends replacing all remaining casters with the new caster. both new and old casters use (5") diameter wheels.

First unit manufactured with the new casters:
Model: CG-72R-0004
Serial Number: 0410100108836
Implementation Date: October 25/2004
